CLARK UNIVERSITY, WORCESTER, MA**

**JULY 20TH—AUGUST 3RD, 2006**

## **ABOUT THE INSTITUTE:**

The Institute for Economic Policy Studies is dedicated to finding new solutions to current economic challenges facing developing countries in Africa. Committed to the idea that economic literacy is critical for responsible policy making, Institute members aim to promote economic education through seminars, dialogue, conferences, position and policy papers. In all efforts, the goal is to further understanding of economic issues and policy questions and to encourage greater participation of the intended groups in determining and shaping the course of their economies.
